

ALASKA SCHOOL LEADERSHIP ACADEMY

SUPPORT FOR ALASKA'S EARLY CAREER PRINCIPALS

ASLA is a unique program designed to provide early career principals (in their 1st or 2nd year as lead or assistant principal) with a collegial statewide cohort engaged in networking, skill building and mutual support.

PROFESSIONAL LEARNING FOR SCHOOL LEADERS

Monthly Coaching - Each ASLA lead principal is paired with an Alaska-based, seasoned principal who has been trained to serve as a professional mentor. Coaches meet with their mentees two times a month online, via phone or in-person when feasible. Assistant Principals meet monthly as a cohort with a professional leadership coach. Sessions are personalized to focus on leadership issues and problems of practice participants face in their schools.

Face to Face Meetings - ASLA participants take part in three in-person meetings throughout the year.

- Alaska Principals' Conference: September 26-28, Anchorage
- RTI MTSS Effective Instruction Conference – January 24-26, Anchorage
- Alaska School Leadership Institute (ASLI) – May, dates TBA, Anchorage

Topical Webinars - ASLA participants join webinars throughout the year on 'Hot Topics' in PK-12 education, PK-12 advocacy, and literacy leadership.

Book Studies - Participants receive school leadership books and participate in facilitated book study discussions with their cohort.
