# EMPOWERING EDUCATORS, ENRICHING SCHOOLS

The screenshot shows the ISS EDUrecruit platform. At the top, there's a search bar with filters for 'Departments', 'Subjects', 'Age Ranges', 'Country', 'Region', and 'Apply By'. Below the search bar, a message says 'Finding a Job on ISS EDUrecruit® Has Never Been Easier'. It highlights that the user's profile is incomplete and encourages them to 'Complete My Profile'. It also mentions a 'Membership Plan: PREMIUM' and 'View Fairs'. A section titled 'Get the most out of your membership:' lists benefits like registering for job fairs and accessing professional growth courses. The main content area shows a school profile for 'Nansha College Preparatory Academy' with a large image of the school building and grounds. Below the image, there are tabs for 'About the school' and 'Jobs'. Under the 'Jobs' tab, a specific listing for 'HS Social Studies Teacher' is shown with a deadline of '16 Aug 2022'. Below the listing, there's a photo of students and a teacher in a swimming pool with a stingray.

SCHOOLS SERVICES  
Making a world of difference

**ISS EDUrecruit®**

**About ISS:** International Schools Services (ISS) works with more than 1,200 international schools and tens of thousands of educators each year across its suite of services, creating one of the largest global footprints in international education support. Since its inception in 1955, ISS has promoted innovative best practices. Core services include starting and operating student-centered, future-oriented schools; recruiting world-class educators and leaders; providing cutting-edge professional learning opportunities; sourcing essential school supplies; administering school foundations; and encouraging more diverse leadership in international schools. As a nonprofit organization with offices in Princeton, NJ USA and Shenzhen, China and staff located across the globe, ISS invites all to join in making a world of difference.
